

V8 VANTAGE STYLING ENHANCEMENTS

While the V8 Vantage epitomises the perfect combination of poise and power, you can choose to further enhance its stylish exterior with a range of design options. Create an extended profile and improve its stance with newly revised side sills. Add a clean and sleek finish with eye-catching bonnet, lower bumper and side strake meshes finished in magnum silver and clear rear lamp lenses.*

Ask your dealer for more information about the full range of V8 Vantage enhancements and upgrades.
