Description

Experience the Aston Martin Vantage Roadster with HWM Aston Martin. Combining muscular proportions, exhilarating V8 performance and the freedom of open-air driving, this is a sports car that makes every journey feel special.

Its 4.0-litre twin-turbocharged V8 produces an exceptional 665PS (656bhp) and 800Nm of torque, delivering 0–60mph in just 3.5 seconds and a top speed of 202mph. An eight-speed paddle-shift transmission, rear-wheel drive and electronically controlled rear differential deliver the response and involvement enthusiasts demand, while adaptive damping brings composure to everything from a favourite country road to a longer weekend escape.

The beautifully integrated fabric roof opens or closes in just 6.8 seconds at speeds of up to 31mph, bringing you closer to that unmistakable V8 soundtrack. Roof raised or lowered, the Roadster retains the purposeful stance and striking silhouette that make Vantage instantly recognisable.

Inside, a driver-focused cabin combines Aston Martin craftsmanship with a contemporary layout, creating an inviting environment for both spirited drives and relaxed touring.

Buying from HWM means joining the world’s longest-serving Aston Martin dealership. Our knowledgeable team brings a longstanding passion for the marque, with specialist aftersales support to help you enjoy ownership long after collection.

Contact HWM Aston Martin in Walton-on-Thames to discuss this Vantage Roadster, your part exchange and available finance options, or arrange a personal viewing.

New Zealand Avenue, Walton-on-Thames, Surrey, KT12 1AT
