Description

HWM Aston Martin is delighted to offer this exceptional 2025 DB12 Volante, finished in Magnetic Silver with an Onyx Black Inspire Comfort interior. This 75-plate example has covered just 9,500 miles.

Introduced in 2023 as the open-top companion to the DB12 Coupe, the Volante began a new chapter for Aston Martin's DB bloodline, combining sporting ability, handcrafted luxury and the theatre of roof-down driving. Its hand-built 4.0-litre twin-turbo V8 produces 671bhp and 800Nm through an eight-speed automatic transmission, delivering 0–62mph in 3.7 seconds and a 202mph maximum speed.

With £34,980 of factory options and an original on-the-road price of £247,475, this car has an outstanding specification. Magnetic Silver Signature Metallic paint is complemented by the Gloss Black Upper Exterior Pack, Black Aston Martin Wings and script, smoked tail lights and 21-inch Y-Spoke Satin Black Diamond-Turned wheels. Yellow brake calipers provide a vivid sporting contrast.

Inside, Onyx Black semi-aniline leather features contrast stitching, brogue detailing, perforated Comfort seats and embroidered Aston Martin Wings. The £6,900 Bowers & Wilkins audio system, heated Sports steering wheel, ambient lighting and Heavy Pile floor mats add further luxury. A 360-degree camera, blind-spot monitoring, wind deflector and standard paint protection film enhance everyday usability.

Offered by HWM, the world's oldest Aston Martin dealership, representing the marque since 1951. This DB12 Volante is
