Description

HWM Aston Martin is delighted to offer this beautifully specified 2025 DB12 Volante, finished in striking Q Satin Xenon Grey. Showing just 2,999 miles, this 25-plate example presents Aston Martin's open-top Super Tourer in a sophisticated, contemporary specification.

Introduced in 2023 as the convertible companion to the DB12 Coupe, the Volante combines elegant 2+2 grand touring with breathtaking open-air performance. Its hand-built 4.0-litre twin-turbocharged V8 produces 671bhp and 800Nm, delivered through an eight-speed automatic transmission and electronic rear differential. The result is 0–62mph in just 3.7 seconds and a 202mph maximum speed.

This car's Q satin paint is complemented by Gloss Black Upper and Lower Exterior Packs, a Gloss Black front grille, black Aston Martin wings and script, and smoked rear lights, creating a purposeful yet beautifully resolved appearance. Inside, Dark Brushed Aluminium centre trim, Satin Dark Chrome jewellery, contrast stitching and a heated Sports steering wheel bring a distinctly sporting character, while the Bowers & Wilkins audio system provides exceptional sound.

Offered by HWM, the world's oldest Aston Martin dealership, representing the marque since 1951. This DB12 Volante is Aston Martin Approved and supplied with a 12-month unlimited-mileage warranty, independently certified history and mileage, and preparation to Aston Martin's exacting mechanical and aesthetic standards by factory-trained specialists.
