Description

HWM Aston Martin are delighted to bring to market this 2025 Aston Martin Vantage V8 Coupé in Casino Royale. With just 2,241 miles and an asking price of £147,950, this is a Vantage worth seeing in person: understated silver, satin black forged wheels and just enough red at the brake calipers to catch your eye.

The Casino Royale Icon paint is framed by the Upper and Lower Black Exterior Packs, black grille vanes and black Aston Martin wings. The 21-inch forged Y-spoke wheels, smoked rear lights and privacy glass complete the look. Inside, the Inspire Comfort Monotone interior pairs contrast stitching and Dark Chrome detailing with a heated sports steering wheel.

Unveiled in 2024 alongside the Vantage GT3 racer, this generation brought a major step up in performance. Its 4.0-litre twin-turbo V8 sends 665PS (655bhp) and 800Nm to the rear wheels through an eight-speed automatic. The result: 0–60mph in 3.4 seconds and a top speed of 202mph.

HWM has represented Aston Martin since 1951. Our team in Walton-on-Thames will walk you through the car’s options, Aston Martin Approved preparation and warranty cover.

If Casino Royale is the colour you’ve been looking for, reserve this Vantage online today for a refundable £99. Then call HWM Aston Martin to arrange a private viewing and see what the photographs don’t quite capture.
