Description

HWM Aston Martin, the longest serving Aston Martin dealership in the world are delighted to bring to market this stunning Aston Martin DBS Superleggera Volante. Finished externally in a signature metallic paint called Ultramarine Black coupled with a Onyx Black Semi Aniline Leather throughout the cabin space, the overall appearance of this car is jaw dropping. Spec highlights include Carbon Fibre Lower Exterior Pack, Heated and Ventilated Seats, Carbon Fibre Splitter & Diffuser, Forged Twin Spoke Gloss Black Alloy wheels with Carbon Ceramic Brakes, Stainless Steel Matte Black Quad Exhaust as well as the sublime carbon fibre twill interior surrounding the dashboard, doors and drivers area. The front of the DBS features a purposefully designed front bumper with a large centre grille in order for improved engine cooling along with two air extractors on the sides to cool the brakes and two vents on the hood that aid in the engine cooling process. The 5.2-litre twin-turbocharged V12 engine is significantly uprated from the DB11 V12 powertrain to 715 hp at 6,500 rpm and 900 Nm (664 lb-ft) of torque from 1,800-5,000 rpm. In order to optimise the centre of gravity and weight distribution, the V12

unit has been positioned as low and as far back in the chassis as possible. This DBS is available to be reserved now for just £99 at www.hwmastonmartin.co.uk
