Previous Owners	N/A
Registration	FJ67XDE

Description

Launched to coincide with the 2017 Le Mans 24 hour race, where Aston Martin Racing secured its momentous GTE class victory, Aston Martin unveiled what became the final production derivative of the VH2 V8 Vantage, the V8 Vantage AMR. Launched at the Geneva Motor Show in 2017, the AMR brand, first shown on the Rapide AMR, amplifies and accentuates the sporting prowess of the British marque's road cars, by taking inspiration or direct influence from Aston Martin Racing's participation in the FIA World Endurance Championship. The V8 Vantage AMR is powered by a 430 bhp 4735cc normally aspirated V8 engine and was available with either the Sportshift III or 6-speed manual transmission. This example is specified with the desirable manual gearbox, for maximum driving enjoyment. Production of the V8 Vantage AMR coupe and Roadster began in the final quarter of 2017 and was limited to just 200 examples. This example is one of just 62 UK RHD V8 Vantage AMR coupes built and one of just 38 with the manual gearbox. In addition to its standard V8 Vantage AMR specification, notable optional extras chosen here include: Halo Graphics Pack, Aston Martin 700W Premium Audio, Lime Essence brake calipers, full length Twill Carbon fascia trim, Lightweight Mesh front grille, Piano Black interior trim pack, front parking sensors and reversing camera,

AMR headrest embroidery, Carbon Fibre lightweight seats and 5-spoke Gloss Black wheels. This AMR manual can be reserved quickly and securely for just £99 at www.hwmastonmartin.co.uk

New Zealand Avenue, Walton-on-Thames, Surrey, KT12 1AT
