Description

HWM Aston Martin are thrilled to bring to market this outstanding Aston Martin V12 Vantage Coupe, for the first time. Supplied by us originally to its one and only keeper, it is now available to view at our showroom in Walton on Thames. Just 333 units were produced for the world when the V12 Coupe was announced in 2022, each of them the ultimate expression of style, sound and speed and were all already sold out at launch. The V12 Vantage boasts a compelling combination of dramatic widebody design, ground-hugging wide-track suspension and for the first time in this incarnation of Vantage Coupe - the mighty 5.2-litre Twin-Turbo V12 engine. With searing straight-line speed and the unfiltered howl of Aston Martin's sonorous 700PS 12-cylinder engine, the V12 Vantage Roadster elevates the open-top driving experience to a scintillating new level. Key to this exhilarating driving experience is the powerhouse of the engine. Developing 700PS at 6500 rpm and 753Nm of torque at 5,500 rpm, the quad-cam 60-deg 5.2-litre V12 is a true force of nature. With a power-to-weight ratio of 372PS-per-ton and an endlessly impressive delivery which combines effortless in-gear response with epic acceleration, every squeeze of the

V12 Vantage Roadster's throttle leads to an unforgettable adrenaline rush. Accelerating from rest to 60mph in just 3.5sec and with a top speed of 200mph the V12 Vantage Coupe occupies the very highest echelon of sportscar performance. With a ZF 8-speed automatic transmission and mechanical Limited-Slip Differential (LSD) mounted at the rear, the car possesses the purity and balance of a front-mid-engined rear-wheel drive layout. An optimised transmission calibration minimises shift speeds and maximises driver interaction, while adaptive software in the transmission's control system monitors operating conditions and driver demands to enhance the driver's feeling of response and control. This Vantage has covered just 1812 miles and can be reserved quickly and securely at www.hwmastonmartin.co.uk for just £99
