Description

This outstanding Aston Martin Vantage Manual 4.7 V8 Coupe is proudly offered by HWM Aston Martin. Finished in Tungsten Silver on the exterior with Obsidian Black Leather and contrasting silver stitch throughout the cabin, it makes the driving seat a really lovely place to be. A few notable specification highlights on this Vantage are, the latest at the time "waterfall" style interior dashboard with glass facia and haptic feedback touch buttons, Luxe Pack, Reversing Camera, Sports Exhaust, Heated Seats as well as front and rear parking sensors to name just a few. External features comprise of options such as the stunning bright finish front grille, clear rear lamps, Grey Brake Calipers as well as having the comfort suspension. The Aston Martin Vantage employs a 4.7-litre V8 powertrain with 420 bhp (313 kW; 426 PS) and 470 Nm (347 lb-ft) of torque. This engine was unique to Aston Martin and featured race-style dry-sump lubrication, which enabled it to be mounted low in the chassis for an improved centre of gravity. The cylinder block and heads, crankshaft, connecting rods, pistons, camshafts, inlet and exhaust manifolds, lubrication system and engine management were all designed in house by Aston Martin and the engine was assembled by hand at the AM facility in Cologne, Germany, which also built the V12 engine for the DB9 and Vanquish.

The engine is front mid-mounted with a rear-mounted transaxle, giving a 49-51 front/rear weight distribution. Slotted Brembo brakes were also standard. The V8 Vantage can accelerate from 0 to 60 mph in 4.8 seconds before reaching a top speed of over 170 mph. The Aston Martin Vantage will come fully prepared by our factory trained technicians with a 12 month Aston Martin Warranty and MOT. This Vantage can be reserved at www.hwmastonmartin.co.uk for just £99

New Zealand Avenue, Walton-on-Thames, Surrey, KT12 1AT
