Description

This outstanding Aston Martin DB11 Volante 4.0 2dr is proudly offered by HWM Aston Martin, the longest serving Aston Martin Dealership in the world. Finished in a stunning combination of Magnetic Silver metallic paint on the outside whilst combined with Obsidian Black Leather and a striking Ivory contrast stitch throughout the cabin makes this DB11 a rather special place to be in. The DB11 Volante has been fully serviced throughout its life and will arrive at the next owner fully prepared by our factory trained technicians along with 12m Aston Martin Warranty. In terms of overall specification this DB11 Volante has been really well thought through, including factory options such as Aston Martin Premium Audio, Piano Black Interior Trim Inlay, Heated Seats, Forged Gloss Black Alloy Wheels, Smoked Rear Lights, Touchpad Control as well as the all important Convertible Wind Deflector. The DB11 Volante has a front/rear weight distribution of 47/53, and shares the same 4.0-litre twin-turbocharged V8 engine with the DB11 V8 coupé albeit with more torque, as the engine has a power output of 503 hp and 696 Nm of torque. The DB11 Volante can accelerate from 0–62 mph in 4.1 seconds before reaching a top speed of 187 mph. The V8 Volante also employs a myriad of chassis stiffening components keeping the structural integrity of the Volante intact and stable at high

speeds. This DB11 Volante can be reserved quickly for just £99 at www.hwmastonmartin.co.uk
