Previous Owners	N/A
Registration	RX70YWE

Description

HWM Aston Martin, the worlds longest serving Aston Martin Dealership are delighted to offer for sale this Aston Martin DBS 5.2 V12 Coupe which is simply stunning from just about every angle. Finished in beautiful and rare Hammerhead Silver externally, it is beautifully complimented with a Obsidian Black Leather interior along with the Dark Chrome and Carbon Fibre Interior Jewellery pack, leaving the cabin a truly special place to be indeed. Other spec highlights on this DBS include the sublime Forged Lightweight Twin Spoke Alloys with Black Brake Callipers, AM Premium Audio System, Carbon Fibre Front Splitter and Rear Diffuser as well as Sports Plus Seats and the sublime Carbon Fibre Aston Martin Badge Pack to name just a few. Having covered just 7300 miles from new this DBS with Full HWM Aston Martin Service History will come fully prepared by our factory trained technicians along with 12 Month Aston Martin Warranty and 12m MOT. The front of the DBS features a bumper with a large centre grille compared to the DB11 in order for improved engine cooling along with two air extractors on the sides to cool the brakes and two vents on the hood that aid in the engine cooling process. The 5.2-litre

twin-turbocharged V12 engine delivers at 715hp at 6,500 rpm and 900 Nm of torque from 1,800-5,000 rpm. In order to optimise the centre of gravity and weight distribution, the V12 unit has been positioned as low and as far back in the chassis as possible. The DBS Superleggera features the ZF 8HP95 transmission with a short final-drive ratio of 2.93:1, in contrast to the DB11's 2.70:1. Chassis-wise, it also comes with torque vectoring and a mechanical limited slip differential for more focused track performance. DBS also features the same aerodynamics first seen on the DB11 including Aston Martin's innovative Aeroblade system, but refines aerodynamics with an F1-inspired double-diffuser that helps the car generate 180 kg of downforce, the highest figure ever for a series production Aston Martin at that time. This DBS can be reserved for just £99 at www.hwmastonmartin.co.uk
