Description

HWM Aston Martin are delight to be able to bring to market this stunning Aston Martin 6.0 V12 Vanquish S Coupe. Beautifully finished in Onyx Black metallic paint with Obsidian Black Caithness leather and complimented with the 20" 10 Spoke Gloss Black diamond turned lightweight alloy wheels, this Vanquish S Coupe is jaw dropping. Aside from the naturally aspirated 6.0 V12 engine pushing out 568 BHP as well as 630Nm of torque, this Vanquish will arrive at 60mph from stand still in just 3.8 Seconds. Interior wise this model is fitted with the One-77 Steering wheel which was taken from Aston Martin's ultra exclusive two-seater flagship sports car, as well as having the shadow bronze jewellery pack and Piano Black interior trim throughout. The specification of this Vanquish S has been very well considered with factory fitted options such as Shadow Bronze Interior and Exterior packs, Heated Seats, One-77 Leather/Alcantara Steering Wheel and of course the Carbon Fibre Side Strakes. The whole combination make the inside of this Vanquish an amazing place to sit. It has a full Aston Martin Service history and has covered just over 16000 miles, it will also come with 12m Aston Martin Warranty. Available to reserve on our website www.hwmastonmartin.co.uk for just £99
