### Description

HWM Aston Martin — the world's longest-serving Aston Martin dealership — is proud to present an extraordinary example of the Aston Martin Vanquish S. A true grand tourer with supercar soul, the Vanquish S embodies the pinnacle of handcrafted performance and timeless style.

Finished in an a striking rare heritage colour called Cumberland Grey, this Vanquish S combines a dramatic silhouette with purposeful detailing. Sculpted from aerospace-grade carbon fibre, every panel is shaped for aerodynamic efficiency and muscular beauty, underscoring Aston Martin's commitment to both form and function.

At its heart lies a naturally aspirated 6.0-litre V12 engine, producing 568 BHP and 630 Nm of torque. This iconic powertrain, paired with the lightning-fast Touchtronic III 8-speed automatic gearbox, launches the Vanquish S from 0–60 mph in just 3.8 seconds and on to a top speed of 201 mph. Precision-tuned for agility and refinement, the chassis is enhanced by a lightweight aluminium structure, recalibrated suspension, and Carbon Ceramic brakes for exceptional stopping power.

Inside, the cabin is a showcase of craftsmanship. Luxurious Ivory Caithness leather, Alcantara headlining, Interior Carbon Fibre Trim Inlay and a beautifully contoured One-77-style steering wheel surround the driver in a cocoon of bespoke comfort and of course the sublime 1000w B & O Audio system that provides an unrivalled audio experience, when not listening to the 6.0 V12 engine soundtrack. It would be fair to say that every stitch and surface is hand-finished to Aston Martin's exacting standards.

With its perfect balance of thrilling performance, elegant design, and cutting-edge engineering, the Vanquish S remains a landmark in Aston Martin's illustrious history.
