Description

Aston Martin DBS Superleggera “OHMSS” Edition – 1 Owner from New – Supplied & Maintained by HWM Aston Martin

HWM Aston Martin are delighted to offer for sale this truly exceptional Aston Martin DBS Superleggera “On Her Majesty’s Secret Service” Edition, a rare and highly collectible model produced in tribute to the iconic 1969 Bond film.

This stunning example has had one owner from new, was supplied by HWM Aston Martin, and has been maintained exclusively by us ever since. Presented in immaculate condition throughout, it has covered low mileage and benefits from a full Aston Martin service history.

Finished in the exclusive Olive Green paintwork—a faithful homage to the original 1969 DBS—this OHMSS Edition features a bespoke black leather interior with red accents, “OHMSS” embroidery, carbon fibre detailing, and a special Gun Barrel front grille unique to this limited series.

Under the bonnet lies Aston Martin's mighty 5.2-litre twin-turbo V12 engine, producing 715bhp and 900Nm of torque, delivering breathtaking performance with 0–62mph in just 3.4 seconds and a top speed of 211mph. Power is delivered through an 8-speed ZF automatic transmission, ensuring an effortless and exhilarating drive.

Only 50 examples of the DBS OHMSS were ever built worldwide, making this a rare opportunity to acquire one of the most desirable and collectible Aston Martins of the modern era.

This car will be fully prepared under the Aston Martin Timeless Certified Pre-Owned Programme, offering complete peace of mind, and will include 12 months Aston Martin Warranty and Roadside Assistance.
