Previous Owners	N/A
Registration	GT08AXE

Description

Aston Martin of Walton on Thames who are the longest serving Aston Martin Dealership in the World are delighted to bring to the market this stunning Aston Martin GT8 Sportshift. Inspired and influenced by the V8 Vantage GTE race car, the GT8 was the lightest and most powerful V8 Vantage ever, when launched in April 2016. In addition to the dramatically sculpted, wide bodied carbon fibre bodywork and revised performance orientated chassis, the 4.7 litre V8 engine was upgraded to produce 440bhp. The GT8 was available with either the 6-speed manual or 7 Speed Sportshift II gearbox. This combined with the dramatic weight saving of up to 100 kg (depending upon options chosen), the Vantage GT8 boasted some very impressive performance numbers including 4.4sec 0-62mph and a top speed of 190mph. Limited to just 150 cars worldwide, all had sold out shortly after being announced in 2016. Just 80 were built for the UK RHD market and just 12 of which were specified with the Sportshift III Gearbox. Much admired by motoring journalists and road testers alike, the profile of this model was further cemented by Aston Martin securing class victory at the gruelling Nurburgring 24 Hours in 2017 in a 'close to production' specification Vantage GT8. This GT8 we are thrilled to offer, is finished in Magnetic Silver with the stunning Flugplatz Blue Livery Pack and the Gloss Carbon

Aero Package. The lightweight interior combines luxury fitments and creature comforts with carbon fibre and Pure Black Alcantara, highlighted with contrast stitching and accents. This GT8 has a full service history and will come prepared by our factory trained technicians and arrive with 12 months Aston Martin Warranty and 12m MOT. Fear of missing out due to time constraints? This GT8 can be reserved for just £99 at www.hwmastonmartin.co.uk
