### Description

DB9 is undoubtedly one of the most beautiful Aston Martin production models. It is instantly recognisable as well as its shape, sound and driving experience remaining fresh and exciting as much as the day when it was produced. This 13MY DB9 Volante is simply stunning. It is finished in a striking colour called Onyx Black and has covered just over 16500 miles. It has needed or wanted for nothing throughout its life in terms of service, maintenance and care. This DB9 will come fully prepared by our factory trained technicians along with a 12 Month Aston Martin Warranty. Spec highlights include Satellite Navigation, Heated Seats, Rear Parking Sensors and Powerfold Mirrors to name just a few. The DB9 employs a 6.0-litre V12 engine that generates 570 nm of torque at 5,000 rpm and a maximum power output of 450 hp at 6,000 rpm. The DB9 is capable of accelerating effortlessly from 0 to 60 mph in 4.7 seconds and has a top speed of 186 mph. Its rear-wheel drive layout and front mid-engine design improves weight distribution. Whilst the six-speed ZF Friedrichshafen 'Touchtronic' automatic gearbox featuring paddle shift provides seamless gear changes if and when you require. The gearbox is rear-mounted and is driven by a carbon-fibre tail

shaft inside a cast aluminium torque tube whilst the braking system is relies on Brembo four-piston callipers. This DB9 can be reserved quickly and securely at [www.hwmastonmartin.co.uk](http://www.hwmastonmartin.co.uk) for just £99
