Description

HWM Aston Martin in Walton on Thames are the longest serving Aston Martin Dealership in the World and are delighted to bring to market this outstanding Aston Martin 4.0 Vantage Roadster. This striking example is finished in stunning Xenon Grey on the exterior with a stunning array of factory fitted options throughout the vehicle such as 20" AMR Forged Gloss Black Diamond Turned Alloy Wheels, Comfort Pack, Sports Plus Collection Pack, Gloss Black Side and Bonnet Vents, 16 Way Electric Sports Plus Seats, Aston Martin Premium Audio, Vaned Front Grille, Heated Seats and Ventilated Seats, to name just a few. The interior of this Roadster has been really well thought out too with Obsidian Black Leather married with a contrast Stitch across the seats and doors, which compliment one another perfectly. The Convertible roof system has been designed thoughtfully for using on the go as well. It can be conveniently and easily lowered or raised by the press of a switch in under 7 Seconds at speeds of up to 31 MPH meaning the days of pulling over to operate the roof are well and truly in the past. This Vantage Roadster has covered just over 2900 Miles from new and will arrive at the next owner with 1 Year Aston Martin Warranty and fresh 12m MOT. The Vantage uses a rear-mounted 8-speed automatic gearbox manufactured by the world

renowned transmission company, ZF, whilst the engine is positioned as far back with the chassis as possible, and a 50/50 front/rear weight distribution has been achieved with the car. The Vantage is also the first Aston Martin production car to feature an electronically controlled differential with torque vectoring. This Vantage Roadster can be reserved now for just £99 at www.hwmastonmartin.co.uk
