### Description

HWM Aston Martin, the longest serving Aston Martin Dealership in the World are delighted to offer for sale this stunning 2020 Model Year DB11 Volante. Finished externally in a colour called Midnight Blue, it is complimented beautifully inside the cabin with an elegant mix of Dark Knight and Cream Truffle Leather throughout the cabin which is all underpinned by a elegant contrast Stitch. The combination makes this DB11 Volante a rather special place to be, indeed. The Factory specification has been well considered with options such as the sublime Aston Martin Audio, Gloss Black Exterior Pack, Nexus Quilted Interior Leather, Piano Black Interior Trim, Heated and Ventilated Seats, as well as a Fitted Tracker, Red Rear Lights and the all important Convertible Wind Deflector. The DB11 Volante has a front/rear weight distribution of 47/53, and shares the same 4.0-litre twin-turbocharged V8 engine with the DB11 V8 coupé albeit with more torque, as the engine has a power output of 503 hp and 696 Nm of torque. The DB11 Volante can accelerate from 0–62 mph in 4.1 seconds before reaching a top speed of 187 mph. The V8 Volante also employs a myriad of chassis stiffening components keeping the structural integrity of the Volante intact and stable at high speeds. This vehicle will of course come fully prepared by our factory trained technicians

along with a 12m MOT and 12m Aston Martin Warranty. This  
DB11 can be reserved quickly for just £99 at
