Description

Aston Martin Walton on Thames are delighted to bring to market this 2021 Aston Martin DBS V12 BiTurbo Superleggera presents an exceptional opportunity with an incredibly low mileage of just 4800 miles, a testament to its careful ownership. As an Aston Martin manufacturer approved vehicle, it offers peace of mind alongside its impressive performance. This Superleggera model is powered by a potent 5.2 litre petrol engine, meeting Euro 6 emission standards. Notable features include heavy pile floor mats, a Cat5 tracking system with geo-fencing for enhanced security, and striking smoked tail lights. The vehicle is further distinguished by its 21 inch lightweight twin spoke forged alloy wheels in gloss black and exquisite Q Satin 2x2 carbon twill trim inlays, all contributing to its sophisticated aesthetic.

The performance of this Aston Martin DBS is truly remarkable, with an acceleration of 0-62mph achieved in a mere 3.6 seconds. This rapid acceleration demonstrates its superior engineering and places it ahead of many comparable vehicles. The combination of the powerful V12 BiTurbo engine

and the Superleggera designation signifies a vehicle built for exhilarating driving experiences, offering a blend of dynamic capability and refined luxury that is characteristic of the Aston Martin marque.
