Description

This 2022 Aston Martin DBX V8 presents an exceptional opportunity with its remarkably low mileage of just 12,600 miles. As an Aston Martin manufacturer approved vehicle, it offers peace of mind alongside its impressive performance. This four wheel drive SUV is powered by a potent 4.0 litre petrol engine, meeting Euro 6 emission standards. It boasts a substantial towing weight of 2700 kg, making it as practical as it is powerful. Inside, you'll find an Accelerate duotone interior with mirrored stitching on the seats and a coloured Alcantara headlining, complemented by a wireless phone charger and striking 23 inch forged alloy wheels in textured black.

The Aston Martin DBX V8 is engineered for exhilarating driving, achieving 0-60mph in a swift 4.3 seconds. This rapid acceleration demonstrates its superior performance compared to many other vehicles in its class. The combination of its robust drivetrain, luxurious interior appointments, and the prestige of the Aston Martin brand creates a truly unique and desirable package for any discerning driver.
