Exterior Colour Zaffre Blue - Q

Previous Owners N/A

Registration LC23XNA

Description

HWM Aston Martin are thrilled to bring this beautiful Aston Martin V12 Vantage Roadster to market. Supplied by HWM and maintained exclusively by them during its entire life, it is now available to view at our showroom in Walton on Thames. Just 249 units were produced for the world when the V12 Roadster was announced at Pebble Beach in late 2022, each of them the ultimate expression of style, sound and speed and were all already sold out at launch. The V12 Vantage Roadster boasts a compelling combination of dramatic widebody design, ground-hugging wide-track suspension and – for the first time in a Vantage Roadster - the mighty 5.2-litre Twin-Turbo V12 engine. With searing straight-line speed and the unfiltered howl of Aston Martin's sonorous 700PS 12-cylinder engine, the V12 Vantage Roadster elevates the open-top driving experience to a scintillating new level. Key to this exhilarating driving experience is the powerhouse of the engine. Developing 700PS at 6500 rpm and 753Nm of torque at 5,500 rpm, the quad-cam 60-deg 5.2-litre V12 is a true force of nature. With a power-to-weight ratio of 372PS-per-ton and an endlessly impressive delivery which combines effortless in-gear response with epic acceleration, every

squeeze of the V12 Vantage Roadster's throttle leads to an unforgettable adrenaline rush. Accelerating from rest to 60mph in just 3.5sec and with a top speed of 200mph the V12 Vantage Roadster occupies the very highest echelon of open-top sportscar performance. With a ZF 8-speed automatic transmission and mechanical Limited-Slip Differential (LSD) mounted at the rear, the car possesses the purity and balance of a front-mid-engined rear-wheel drive layout. An optimised transmission calibration minimises shift speeds and maximises driver interaction, while adaptive software in the transmission's control system monitors operating conditions and driver demands to enhance the driver's feeling of response and control. This Vantage has covered just 3000 Miles from new and can be reserved quickly and securely at www.hwmastonmartin.co.uk
