Description

HWM Aston Martin are thrilled to offer this 2016 Aston Martin DB11 5.2 V12 CEO/Launch Edition. It is offered as a manufacturer approved vehicle, offering a unique ownership proposition. This striking example, finished in the Launch Edition trim, is powered by the sublime 5.2 litre V12 Twin Turbo petrol engine. The CEO Edition was part a statement specification made by then CEO Dr Andy Palmer. Each interpretation of DB11 V12 was specified to an extremely high level, showing off the width and breadth of what could be achieved with the latest Aston Martin DB11 options list. Highlights include B&O Beosound Audio, 20" directional Silver Diamond Turned Alloys, distinctive red brake calipers and elegant headrest embroidery displaying the DB11 logo, adding a touch of bespoke luxury.

The performance of this Aston Martin DB11 is truly exceptional, with its 5.2 litre engine enabling it to accelerate from 0 to 62 miles per hour in a remarkable 3.9 seconds. This impressive acceleration figure demonstrates the superior engineering and dynamic capability of this V12 Launch Edition, setting it apart from other vehicles in its class.
