Description

HWM Aston Martin based in Walton on Thames are proud to offer for sale this DB11 V12 Launch Edition which is simply a beautiful example throughout. Finished in a AML Special Paint called Ultramarine Black, it is complimented beautifully inside with the perfect mix of Chestnut Tan and Satin Tan Lace Wood Trim Inlay. The whole look and feel makes this stand out spec Launch Edition a wonderful place to be. This DB11 V12 enjoys spec such as 1000w Bang and Olufsen audio, Auto Park Assist, Touchpad, Adaptive Damping as well as the 20" 10 Spoke Diamond Turned Alloy Wheels. The DB11 V12 is powered by a 5,204 cc twin-turbocharged V12 engine making it the first turbocharged series-production Aston Martin. The V12 has a conventional fuel injection and not direct injection and also uses a dry-sump lubrication system, instead optimizing a wet-sump designed to perform under the high-g loading sustained when owners drive on a track. The engine has a power output of 600 bhp at 6,500 rpm and 516 lb:ft (700 Nm) of torque between 1,500-5,000 rpm. The car is equipped with a rear-mounted 8-speed automatic transmission manufactured by ZF Friedrichshafen and the car accelerates from 0-60 mph in 3.8 seconds and will attain a top

speed of 200 mph. This DB11 Launch Edition is not to be missed. It will come fully prepared by our factory trained technicians and will arrive with its new owner with a 12m Aston Martin Warranty. It can be reserved quickly and securely at www.hwmastonmartin.co.uk for just £99
