Description

HWM Aston Martin is delighted to offer this outstanding Aston Martin Vantage S, presented in an exceptional specification that sets it apart from any other example currently on the market.

This remarkable car benefits from over £44,000 of factory-fitted options, carefully selected to enhance its performance, appearance and interior ambience. Highlights include Carbon Ceramic Brakes, lightweight Carbon Performance Seats, the immersive Bowers & Wilkins premium audio system and striking 21-inch alloy wheels finished in Satin Copper Bronze.

The cabin is further elevated by the stunning S Interior Highlights Pack, reinforcing the Vantage S's focused character while retaining the craftsmanship and luxury expected of an Aston Martin.

With its hand-built 4.0-litre twin-turbocharged V8, the Vantage S produces 671 bhp and 590 lb-ft of torque, combining formidable performance with unmistakable Aston Martin presence. Functional aerodynamic enhancements and chassis refinements make this the most focused expression of the current Vantage range.

A truly exceptional example with an options list unlikely to be replicated, available from HWM Aston Martin, the world's longest-established Aston Martin dealership. This example can be reserved securely at www.hwmastonmartin.co.uk for just £99
