Description

The 2025 Aston Martin DBX V8 S is a sophisticated vehicle that combines performance with practicality. As an Aston Martin manufacturer approved model, this SUV offers peace of mind alongside its impressive engineering. It is powered by a 4.0L petrol engine paired with a four wheel drive system, ensuring capable handling across various conditions making it a versatile choice for those who require both power and utility in their daily driving.

With over £45,000 of factory fitted options when this DBX S was supplied to its one and only keeper by HWM Aston Martin and this brand new model completely distinguishes itself through a focus on comfort and high performance. The interior is equipped with a Bowers and Wilkins audio system, which includes a luxury branded sound system for an enhanced listening experience. Passengers benefit from ventilated seating in both the front and rear, which also includes heating functions, complemented by a heated steering wheel for added comfort during colder weather. Furthermore, the vehicle delivers exceptional speed, capable of accelerating from 0 to 60 mph in just 3.1 seconds, setting it apart as a high performance option within its class.
