Registration	JK72AJK

Description

This 2022 Aston Martin DB11 V8 is a refined example of modern engineering, powered by a 4.0L petrol engine that meets Euro 6 emission standards. As an Aston Martin manufacturer approved vehicle, it offers peace of mind regarding its condition and history. This model combines the classic grand tourer silhouette with the performance capabilities expected from the brand, ensuring a driving experience that balances power and composure.

The vehicle is distinguished by a selection of premium aesthetic choices, including a gloss black front grille and Aston Martin black wings and script badging. It sits on 20in textured black alloy wheels, which complement the exterior styling, while the interior features an Inspire monotone finish with contrast seat stitching. Performance is a key highlight, with the car capable of accelerating from 0-62mph in 4.0 seconds, demonstrating the capability of its V8 powertrain. These specific design and performance elements work together to provide a cohesive and elevated driving experience.

New Zealand Avenue, Walton-on-Thames, Surrey, KT12 1AT
