Description

HWM Aston Martin is delighted to offer this exceptional 2026 Vantage S Coupe, finished in the deeply evocative Concours Blue with a grey Inspire S full-leather interior. This stunning example is showing just 1,900 miles, it brings together a landmark Aston Martin colour, the most performance-focused Vantage in the range and an outstanding specification.

Concours Blue occupies a special place in modern Aston Martin history: it was the launch colour of the extraordinary One-77, the 77-car hypercar that became an instant design icon. Here, the shade gives the Vantage S remarkable depth and presence, beautifully contrasted by Gloss Black Upper and Lower Exterior Packs, gold-painted brake calipers and the model's distinctive bonnet blades and full-width rear spoiler.

The Vantage name dates to 1950, while this S sits in a high-performance bloodline reaching back to the 1953 DB3S. Its hand-built 4.0-litre twin-turbo V8 develops 671bhp and 800Nm, driving the rear wheels through an eight-speed automatic transmission. Launch Control delivers 0-60mph in just 3.3 seconds, with a top speed of 202mph, while S-specific chassis, suspension and throttle calibrations heighten agility, precision and driver connection.

Inside, the sumptuous Inspire S leather cabin is elevated by a heated Sports steering wheel, Satin Carbon Fibre trim inlay, Dark Chrome jewellery and contrast stitching, with ventilated front seats adding effortless comfort.
