Description

HWM Aston Martin is delighted to offer this exceptional 2026 Aston Martin Vanquish Volante, finished in Xenon Grey metallic with a Black Inspire Sport Monotone full-leather interior. Showing just 1,125 miles, this is a beautifully specified example of Aston Martin's open-top flagship.

The Vanquish name has represented the pinnacle of Aston Martin performance since 2001. Reborn in 2024 for its third generation, the Vanquish was joined in 2025 by the Volante, celebrating 60 years of Aston Martin open-top grand touring. Its front-mid-mounted 5.2-litre twin-turbo V12 sends 835PS and 1,000Nm to the rear wheels through an eight-speed automatic transmission, delivering 0–62mph in just 3.4 seconds and a 214mph maximum speed. Annual Vanquish production is limited to fewer than 1,000 examples across both body styles.

This car's Xenon Grey finish is sharpened by a Gloss Black front grille and tailpipes, while AMR Lime Green brake calipers provide a dramatic flash of colour behind the 21-inch forged wheels. The optional Titanium Exhaust System gives the V12 an even more stirring voice, particularly with the roof lowered.

Inside, Black full leather is elevated by contrast welt and stitching, Dark Brushed Aluminium door inlays and Satin Dark Chrome interior jewellery. A heated Sports steering wheel and Heavy Pile floor mats complete a cabin that feels both purposeful and exquisitely crafted.
