Registration	LF25BRL

Description

HWM Aston Martin is delighted to offer this beautifully specified 2025 Vantage, finished in elegant Aluminite Silver and showing just 6,500 miles. Combining unmistakable Aston Martin presence with true sports-car focus, this is a compelling example of the fastest and most powerful Vantage of its generation.

Unveiled in 2024 as the latest chapter in the celebrated Vantage bloodline, this model was engineered to place the driver at the heart of the experience. Its hand-built 4.0-litre twin-turbocharged V8 produces 656bhp and 800Nm, driving the rear wheels through an eight-speed ZF automatic transmission and electronic differential. Performance is exceptional: 0–60mph takes only 3.4 seconds, with a maximum speed of 202mph.

The Aluminite Silver bodywork is given a purposeful edge by Upper and Lower Black Packs, a Gloss Black painted roof, privacy glass and smoked rear lights. Completing the exterior are 21-inch five-spoke forged wheels in Satin Black Diamond Turned finish, framing silver brake calipers.

The driver-focused cabin is enhanced by Dark Chrome interior jewellery, contrast stitching, a heated steering wheel and ventilated front seats—desirable features that add comfort without diluting the Vantage's sporting character.

Offered by HWM, the world's oldest Aston Martin dealership, representing the marque since 1951. This Vantage is Aston Martin Approved and supplied with a minimum 12-month unlimited-mileage warranty, 12 months' roadside assistance, independently certified history and mileage, and preparation by factory-trained Aston Martin technicians.

Watch our full video walkaround, then reserve this outstanding Vantage online for a fully refundable £99. Better still, visit HWM Aston Martin to experience its specification, craftsmanship and extraordinary performance in person.
