Previous Owners	N/A
Registration	BBS88S

Description

Aston Martin's definitive V12 flagship—and one of only 300 DBS 770 Ultimate Coupés produced worldwide. HWM Aston Martin is delighted to offer this exceptional 2023 example, covered just 5,500 miles and finished in elegant grey Signature Metallic paint with satin black diamond-turned 21in Ultimate wheels and smoked tail lamps.

Created to close the DBS bloodline in spectacular fashion, the 770 Ultimate was limited to 499 cars globally—300 Coupés and 199 Volantes—and every example was sold before its release. Its 5.2-litre twin-turbo V12 produces 770PS (759bhp) and 900Nm, driving through an eight-speed automatic gearbox to deliver 0-60mph in 3.4 seconds and a 211mph maximum speed. Revised steering, suspension and chassis bracing bring greater precision, while carbon-ceramic brakes and dramatic Ultimate aerodynamics complete the package.

This car's outstanding specification includes carbon-fibre performance seats, gloss twill carbon-fibre roof, satin carbon trim inlay, carbon-fibre and Alcantara sports steering wheel, Bang & Olufsen Beosound, Homelink and a valuable five-year service package from new. A final-edition Aston Martin with the presence, performance and collectability to match.

Buy with confidence from HWM, the world's oldest Aston Martin dealership, representing the marque since 1951. This Aston Martin Approved car is prepared by factory-trained technicians and supplied with a minimum 12-month unlimited-mileage warranty, 12 months' roadside assistance and independently certified history and mileage.

Opportunities to acquire a low-mileage DBS 770 Ultimate Coupé are exceptionally rare. Watch the full video walkaround hosted by Aston Martin authority Stuart Parker, reserve online now for a fully refundable £99, or contact HWM Aston Martin today to arrange a private viewing before this landmark V12 is secured.
