Description

HWM Aston Martin are delighted to bring to market this 2025 Vanquish Coupé in Xenon Grey, with just 2,500 miles, at £269,990. With a titanium exhaust and carbon fibre from roof to sill, this is the Vanquish to come and see if you've been waiting for one with the options you'd choose yourself.

Gloss twill carbon fibre on the roof and across both the Upper and Lower Exterior Packs gives the Xenon Grey paint real depth. The Extended Satin Carbon Fibre Pack, gloss black grille and 21-inch satin black diamond-turned wheels sharpen the look, with Vivid Blue brake calipers providing a flash of colour. Inside, the Inspire Comfort interior pairs contrast welting and stitching with Satin Dark Chrome detailing and a heated sports steering wheel. The balance of the original five-year service plan adds to the appeal.

When Aston Martin brought back the Vanquish in 2024, it built its fastest series-production car to date. The 5.2-litre twin-turbo V12 delivers 835PS and 1,000Nm, with 0–62mph in 3.3 seconds and a top speed of 214mph. The titanium exhaust is the option you'll want to hear for yourself.

HWM has represented Aston Martin since 1951. This Aston Martin Approved Vanquish comes with the remainder of its original three-year, unlimited-mileage manufacturer's warranty, along with roadside assistance and a multi-point inspection by Aston Martin-trained technicians.

Reserve this Vanquish online today for a refundable £99, then call HWM Aston Martin to arrange a private viewing in Walton-on-Thames. See the carbon weave in daylight, take a seat and

hear that V12 start.

New Zealand Avenue, Walton-on-Thames, Surrey, KT12 1AT
